Dear

The following patient is now attending this surgery. Can you please provide either a comprehensive summary or a copy of their progress notes, any relevant correspondence and results. At this practice we use Medical Director 3 and PracSoft if you could provide notes in digital format either disc or USB that would be preferred.

Name _____ D.O.B _____

Yours Sincerely

(Dr. to sign)

I _____ give my permission to have my records transferred to the above practice.

(Patient to sign)
